Lynn,

According to Vince, you may be the NCEA guru re the appendix on NAS 2011 recommendation status in IRIS assessments.

(1) Are these going with packages sent to AR or IA Consultation? I hear somewhat conflicting views. For Libby, we are under the impression the answer is "No", and are on that path for the moment.

Tom,

Ex. 5 Deliberative Process (DP)

I'll try to find out to today if this needs to go with Agency/Interagency review draft – since we may have gotten mixed messages on that.
